NEW YORK,

11th October, 1918.

The Curator,
American Numismatic Society,
Broadway & 156th St.,
N.Y. City.

My dear Sir:

On October Second, we received a letter from Mr. Harrold E. Gillingham of Philadelphia stating that you had advised him that the specimen medal of the War Medal of the Aero Club of America, had not been delivered to you.

The Aero Club of America received these War Medals a few days ago and it is with pleasure that we are sending you a Specimen for the collection of your Society, in accordance with previous correspondence, to be placed in a cabinet in your museum.

From a notice in the press, under date of September 24th, we learn that the Numismatic Society is to issue a special medal commemorating the aerial crossing of the English Channel by King Albert and Queen Elizabeth of Belgium. The Aero Club of America would deem it an honour to receive copy of such a medal from your Society and would very much appreciate the courtesy of the gift, should it be bestowed.

Kindly acknowledge receipt of the War Medal of the Aero Club of America which is being sent you by separate post and assuring you that it would be a pleasure to have you call at this Club at any time and see the various medals and trophies here in our Club House, I am

Yours very truly,

Augustus Ross
Secretary.
